MEMORANDUM FOR THE RECORD

SUBJECT: SAS History Project

1. This morning I telephoned C/SAS [REDACTED] to tell him I had received his note suggesting that I arrange final typing of the SAS History. I told [REDACTED] that it appeared that nothing had been done toward further completion of the History since I forwarded it to him on 7 September 1971.

2. [REDACTED] confirmed that no action had been taken toward completion of the SAS History. He then proceeded at some length to explain his staffing problems. He stated finally that he would be unable to arrange typing of the History until additional suitable clerical support is assigned to his unit.
